INFORMATION FOR THE BUYER

DATE: Monday, January 14. **TIME:** 7:30 p.m. M.S.T.

LOCATION: New Beef Palace Sale Pavilion.

SHIPPING INSTRUCTIONS: Consignors and this Association will see that all cattle are properly loaded on cars or trucks as the buyer shall direct for immediate shipment. Cattle are at the buyer's risk from the moment they are bid off, however, all precautions will be taken to see that animals arrive in a sound and healthy condition. **CATTLE WILL BE RELEASED IMMEDIATELY FOLLOWING THE SALE. BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

LIABILITY: Although every precaution will be taken to protect the safety and comfort of guests, neither this Association nor its representatives nor the auctioneer or clerk, can assume any liability for accidents.

TERMS: All sales are cash unless previous arrangements are made with the consignor from whom you purchase. Settlements are to be made with the clerk immediately at the conclusion of the sale.

SINCE THE BANKS WILL NOT ACCEPT A COUNTER CHECK, IT IS IMPERATIVE THAT YOU BRING YOUR PERSONAL CHECK TO PAY FOR ANY PURCHASES MADE.

INSURANCE: Coverage may be obtained effective at the time of sale.

GUARANTEE: Standard Guarantee endorsed by this Association, which is printed in this catalog.

WEST WIND REVOLUTION 2nd x — Stood third in a large class at Iowa State Fair. His half sister, West Wind Classic, was reserve grand female at the National heifer show in Springfield, Ill., and was reserve calf champion at the Iowa State Fair. She won nine trophies this year. Another half sister, West Wind Countess 2nd, was reserve grand female at the Minnesota State Fair and was grand champion at four other shows. The sire of this bull was reserve junior champion at Chicago in 1971. We know he is siring the right kind as they seem to be well accepted wherever we show. Revolution's grand sire was ninth place sire in the nation in 1972. Need we say more! We're happy with our Revolution breeding; you will be, too!

J L MESSENGER—Here is a bull that has done extremely well for us. He has had a very fast rate of gain. He was calf champion at the International in Chicago; calf champion at Denver and All-American senior calf. This year as a yearling he has shown as well and has many blue ribbons and championships. He is a bull that will put much thickness and beefiness into his calves. Herd accredited and certified.

M C BIG MAC — In 1972, he was calf champion at Minnesota; reserve at Iowa. He was reserve grand at Rochester; reserve grand at Austin. He got shoved in with the two-year-olds at Iowa and stood fourth there. He weighed 1545 lbs. at 22 months.

THE SUPER EXOTIC!

One of Europe's best!

Originating in Northern England, the breed is unbeatable from a combined BEEF-MILK standpoint. It is enjoying great success in North America, Africa, Australia, South America . . . WHEREVER CATTLE HAVE TO MAKE IT ON THEIR OWN.

The breed combines SIZE and RAPID GAINING ability with HIGH FERTILITY, TOP CALVING PERCENTAGES, LOW MAINTENANCE COSTS, and UNSURPASSED CARCASS GRADE at popular packer weights.

Their DOCILE TEMPERAMENT makes them ideal to handle on either farm or ranch. You won't have to buy extra barb wire to keep the buggers in.

And MORE IMPORTANT . . . they have been PROFIT-PROVEN in the United States for nearly 200 years. Why speculate? Go the Shorthorn-Polled Shorthorn route!

WHY BUY SHORTHORNS?

- ★ Shorthorn bulls are active, sure breeders.
- ★ They put more growth into their calf crops.
- ★ Shorthorns are historically known for their faster gaining and finishing ability. The demand for Shorthorn and Shorthorn cross-bred feeders far exceeds existing supplies. Consequently, they sell for a premium.
- ★ Shorthorn bulls put more milking ability into their daughters.... this means heavier weaning weights.
- ★ Shorthorn docility is world famous, making them ideal projects for youngsters.
- ★ Shorthorns eliminate the cancer eye, sunburned and snowburned udder problems.
- ★ Shorthorns are known as "THE GREAT IMPROVERS." Shorthorn crosses have been proven in test after test to be superior to other crossbreds in milking ability, rate of gain and feed efficiency.
- ★ Ask yourself why so many commercial herds are now crossbreeding with Shorthorns? IT'S BECAUSE THEY ARE BEST IN EVERY WEIGH.

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.
